About Me

Hello families! My name is Mrs. Rebecca Caylor, and I'm so excited to be joining Mr. McClelland as your child's student teacher for the next 60 school days. I'm currently completing my certification in Elementary Education through Wilson College, and I'm eager to gain hands-on experience in the classroom. I am passionate about creating a supportive, engaging learning environment where every child feels valued and encouraged to do their best. I can't wait to get to know your child and work together for the next several months.

Fun Facts

- * My family and I have two goldendoodles named Bella and Elsa
- * I love to be around the water! I grew up swimming competitively and competed in college. I have also taught many children and even adults how to swim.
- * I love to do puzzles and almost always have one I am working on.
